

**District Director, Joann Glasson**  
**November 2018**

### **Bring a Friend to Bridge**

When you get this report, I will be playing in the Lancaster Regional at Spooky Nook. I hope to see you all there, competing and enjoying all that Lancaster County has to offer.

When I was a young player with small children, going to the Lancaster Regional was my very special bridge vacation for the year. I have many fond memories of this tournament and wouldn't miss the opportunity to attend.

The tournament has changed over the years. It was at the Host farm for a very long time before moving to its new location at Spooky Nook, but the wonderful hospitality of the Lancaster tournament committee has never wavered.

2018 will be the first Lancaster tournament run by our new tournament chairs, Jeanne Gehret and Tom Coxey. They are filling the big shoes left by Deb and John Klinger, who were chairs of this tournament for more than twenty-five years.

Deb and John will still be at the tournament, serving as partnership chairs. District 4 owes them a great deal of thanks for all their years of service to our players.

Jeanne and Tom will provide the same wonderful Lancaster hospitality that we all look forward to - from breakfast treats to wonderful lunches - Lancaster is a very special bridge tournament.

In last May's Bridge Bulletin, then CEO Robert Hartman said: "There may be no better place to spend Halloween than Spooky Nook, where your entry fee includes a spectacular lunch onsite."

Hope to see you there!
